**Receive an American Flag sticker with your donation to The September 11<sup>th</sup> Fund.**

To aid in the relief of those affected by the tragedies that have struck our nation, your local Shell and Texaco wholesalers and retailers are working to raise \$7,000,000 for The September 11<sup>th</sup> Fund. If you would like to help, stop by any participating Shell or Texaco station and receive an American Flag sticker with any donation. While supplies last. All contributions will be added to the over \$10,000,000 already pledged to the relief effort by Shell and Texaco.

God bless America.
